**Greetings from Asian Lifts and Escalator Pvt Ltd!****Sub:** Special offer for Supply and Installation of ASIAN LIFTS for your Project.**Dear Customer,**

We thank you for giving us an opportunity to submit our significant proposal for your elevator. And we are much privileged to welcome you with our family of prestigious customers in a History of **18** longstanding years since **2003**.

We proudly completed **3000+** Elevators in South India. Our Corporate office and factory unit in **Chennai** and branch office at **Bangalore**.

Asian Lifts is a Government Authorised **CEIG** Licensed Company. We adhere to the **ISO 9001:2015** standard working towards the excellence in safety and quality of customer service.

Our Brand Value and Client Satisfaction is our biggest success in short duration, and it has reached through our innovations of **Advanced Gian Technology** and **Asian Maintenance Care**.

**Advanced Gian Technology (AGT)** is our Technological Innovation for Passenger Safety in our Elevator. The AGT Features are Touch Sense Smart Doors, Canbus Communication, AFR Intelligence and Superior Ride Comfort of the Elevator etc.

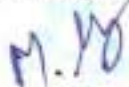

**Asian Maintenance Care (AMC)** is our After Sales Customer Care System for elevator maintenance i.e., Safety Management System, On Time By-Runner System, Emergency Express System, SMS Notification and Customer Feedback System etc.

Asian Lifts provides **24/7** Technical support through Asian maintenance care call centre located in our regional offices. **Toll Free 1800-890-6687**

**Thank you and assuring you of our best service at all time beyond your expectation.**

Yours Truly ,

For Asian Lifts and Escalator Pvt Ltd

Rajesh Kumar | Managing Director
